Integrated Language Arts-

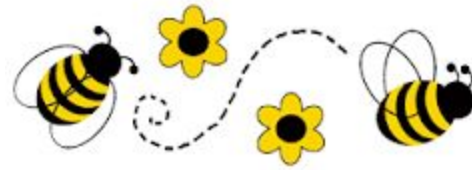

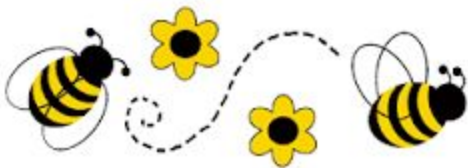

We have been busy writing our animal books! The kids are doing a fabulous job! We have been noticing how authors write introductions, text features they include and making sure to include lots of facts in our own words. We will complete our books this week!

Fundations-We have been whizzing through Unit 13. Students are practicing adding the suffixes -ed and -ing to review words. Our test will be THURSDAY!

Friends-We will discuss how the use of technology affects self and others in various ways, positive and negative ways of collaborating in digital and physical environments and how technology does (or does not) impact the way(s) your family communicates.

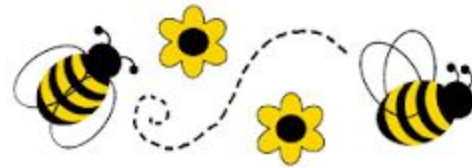

Math-It is hard to believe, but we are starting our LAST math chapter of the year!! We will wrap up with Chapter 11 (3D shapes). It is a short one, so we will test on May 1st! I mentioned to the students that we will be needing those practice books that you have at home. There is a "Getting Ready for 2nd Grade" section at the end that we will do in class. So those will need to be returned May 6th. Thanks!!

<u>Monday</u> Read	<u>Tuesday</u> Read	<u>Wednesday</u> Read	<u>Thursday</u> Read Fundations Test Today!	<u>Friday</u> Reading log is Due!
-----------------------	------------------------	--------------------------	---	---

Lunch Menu

Monday-Hot Dog
 Tuesday-Polar Cub Sandwich
 Wednesday-Bosco Sticks
 Thursday-Popcorn Chicken
 Friday-Deep Dish Pepperoni or Cheese Pizza

Notes:

**Reading Logs will be due on Friday the 26th. Subway coupons will be awarded to those who have reached the goal! I am excited about the number of kids who are blowing the goal away each week!! Keep up the AwEsOmE reading!!

*MAP Reports will be sent home on Friday. Interims will also be available to view in the HAC.

*LAST SCHOLASTIC BOOK ORDER IS DUE May 3rd. Thanks to all who have ordered this year and helped us earn free books for our class:)
