# Mrs. Justice's Newsletter

Integrated Language Arts-
In honor of Dr. Seuss' birthday, March 2nd, we will be celebrating his most beloved books! We will also discuss timelines this week. Students will then get to make a timeline of their own important events!

Fundations- We will practice adding the suffix-s to words with 5 sounds. The test for Unit 10 will be given on _**Friday!**_

Reading Logs-February logs will be due on Friday. Our March reading logs will come home at that time. Since we are on Spring Break the last week of March, there will only be three weeks to record in March.:)

Friends-We will read the story _Stand Tall Molly Lou Melon_ by Patty Lovell. This is a cute story that focuses on acceptance and pride in yourself and self-esteem.

Math- We are working through lessons 5.7-5.10 this week. We will learn how to select and operation/strategy to solve word problems, ways to make numbers up to 20, how to decide if an equation is equal or not equal, and practicing facts to 20. Our test will be given TUESDAY, MARCH 5th. We are going to begin using the math program Xtra Math daily on our new Yoga Laptops this week. This is a quick, easy program to help improve fluency of basic facts. Students can also log in at home!
