Integrated Language Arts-

Tuesday we will be honoring President's Day. The kids are doing an excellent job with their biography research!! We have been reading books, found ebooks on Epic, as well as using articles from World Book Kids to learn about our favorite Americans! Thursday we will share our lapbooks. A note went home about dressing/bringing a prop. This does not need to be fancy...a simple prop from home will be great:)

Foundations-We are in week 2 of Unit 10. We are practicing words with 5 sounds. Our test will be Friday, March 1st.

Reading Logs-Due Friday!

Friends-We are celebrating Kindness Week! Mrs. Neff will be in on Friday for a lesson. We have also been talking about internet safety and safe searches as we research our biographies.

Math- This week we will complete Lessons 5.4-5.6 which address using addition to check subtraction, using related facts to find a missing number and using related facts. We are going to start using Xtra Math in class to improve fluency with basic facts to 20. It is a quick and easy program they can access at home, as well. Good old flash cards work too! Being more fluent with these facts will be helpful in the chapters to come.
