Integrated Language Arts-

*Since students are not at school on Friday, please remember to return the Reading Log on THURSDAY.

This week we begin our next ELA unit, "Around the World in a Glass Slipper". As you can guess, we will be reading different versions of Cinderella from around the globe and comparing/contrasting them! We will learn a little bit about the seven continents, too! This is always a fun unit for the children. The unit wraps up with a study of opinion writing.

Fundations- We continue to practice writing words with the digraphs sh, ch, ck, th, and wh. These can get tricky for the kids to remember, so be sure to practice. Our test will be Thursday, Oct. 4th.

Math- This week we are wrapping up Chapter 2-Subtraction Concepts. We will be working through Lesson 2.9 and the Chapter Review. Our test will be Wednesday, October 3rd. Thursday we will pretest for our next chapter. We will be skipping to Chapter 9 Data and Measurement.

LUNCH MENU

Monday-Chicken Tenders
Tuesday-Walking Taco
Wednesday-Baked Chicken Drumsticks
Thursday-Mini Waffles
Friday- No School!

Student of the Week:
Bennett Allen

NOTES:
