Integrated Language Arts-

The children are doing a great job! This week we are discussing Living vs. Nonliving things! They will be able to identify basic needs of living things. Our class book "The ABCs of School" turned out great! The kids are enjoying writing their own ABC books during Work on Writing.

Monday Strausser students will celebrate "DOT DAY"! Peter Reynolds' *The Dot* is the inspiration for the day. His books encourage students to "make their mark" by encouraging self esteem and creativity.

We will also discuss "Constitution Day" on Monday. We have spent a lot of time talking about our school, bus, playground and classroom rules and today we will discuss how the Constitution explains the USA's rules.

Reading Logs- Please be sure to sign and return on Friday.

Foundations- The Unit 2 test will be given 9/17. We are beginning Unit 3 this week. We will practice writing words with the digraphs -sh, -ch, -th, -wh, and -ck. The test will be Thursday, Oct. 4th.

Math-This week we will be taking the MAP test for math. We are also beginning CH. 2--Subtraction Concepts. We will work through 2.1-2.4.
