Programs at JHS

Jackson Academy for Global Studies (JAGS)

The JAGS program at Jackson High School is one of only two ISSN (International Studies Schools Network) programs in the state of Ohio and is dedicated to the development of globally competent, college-ready students. Within the JAGS curriculum, students explore courses designed to increase global competency and can enroll in AP, CCP, and other rigorous course offerings. Service-learning and educational travel opportunities are also major program components of JAGS.

Career & Technical Education

JHS houses 7 Career & Technical Programs:

- Automotive Technology
- CISCO Networking
- Clinical Health Care Service
- Construction Management
- Culinary Arts/Restaurant Management
- Engineering and Architecture
- Horticulture

Additional Career & Technical Programs are offered within our compact.

Clubs and Organizations

Jackson High School offers over 50 extracurricular clubs and student organizations; several of which are internationally recognized and include a service learning component.

Jackson School for the Arts (JSA)

JSA is designed for dedicated students interested in areas of dance, drama, instrumental music, visual art, and vocal music. Within the JSA curriculum, students can enroll in AP, CCP, and JHS's rigorous course offerings while also exploring many courses in the arts.

Athletics

JHS offers 21 Federal League varsity sports and 26 sports overall. JHS sports teams are high achieving and the community glows with Polar Bear Pride. Many student-athletes continue their athletic careers at the collegiate level at various divisions of competition in the NCAA and NAIA. JHS has won the Federal League All Sports Trophy for the past 13 years.
