Family Support Specialist Program Vision

Support and empower families by guiding and connecting them to independently navigate resources available in their community.

What is CARE Team?

- iCARE is comprised of any combination of administrators, counselors, teachers, family support specialists, school nurse, support staff etc.
- As a team, we work together to provide resources that students and families need to excel and gain resiliency. We want students to come to school ready to learn.

CARE Team helps kids SUCCEED by . . .

- Developing plans to assist students in meeting their potential.
- Connecting families to resources for basic needs.
- Referring students and families to mental health services.
- Monitoring student's progress.

How can CARE Team and the Family Support Specialist help my child?

- Students and families are referred to the CARE Team by school counselors, teachers, administrators, community members and self-referral. If you believe your child would benefit from CARE Team, you can self-refer by contacting a member of CARE Team.
- Student and family information will remain confidential under FERPA laws.

Jackson Local Schools and CARE Team strive to fulfill the goal that every student will be successful and happy at school with the purpose to graduate with the knowledge and skills needed to sustain a happy and healthy career and life.
