*Striving for Excellence*

March 18, 2020

Dear Parents/Guardians:

Our principals and teachers have worked very hard to prepare for eLearning K-12. Beginning Monday, March 30, 2020, your child will be able to access eLearning lessons through POLARIS.

You will receive an email from your child's principal that will be followed by email communication from your child's teacher(s). Should you encounter any issues with lessons or technology, please reach out directly to your child's teacher.

Currently, buildings are open daily from 9:00 a.m. until 2:00 p.m. Principals are also available to assist you.

The district continues to monitor and provide you with up-to-date information from Governor DeWine and the Stark County Health Department. Please refer to the district website for the most current information.

Sincerely,

Chris DiLoreto  
Superintendent
