English 10

Mr. Gillette

April 13 – April 17

Hello, all. Week three of eLearning. By now, you've chosen your outside read. Now it's time to get cracking on that. That will be the focus of work between now and next week.

Monday, April 13

- Begin reading your outside reading selection. On Tuesday, I'll send guidelines for the first short piece of writing (due Friday)
- Check Google Classroom for the online roundtable question of the week. Respond in a short paragraph (and feel free to comment to the good points your peers make).

Tuesday, April 14

- Check Google Classroom for guidelines for outside reading response.

Wednesday, April 15

- Read your book!

Thursday, April 16

- Please add your two cents to the online roundtable in Google Classroom by 11:59 p.m. tonight.

Friday, April 17

- Please submit your outside reading update response to Google Classroom by 11:59 p.m. tonight.

Standards we will be covering this week:

- Present information, findings, and supporting evidence clearly, concisely, and logically such that listeners can follow the line of reasoning and the organization, development, substance, and style are appropriate to purpose, audience, and task.
- Make strategic use of digital media (e.g., textual, graphical, audio, visual, and interactive elements) in presentations to enhance understanding of findings, reasoning, and evidence and to add interest.
- Adapt speech to a variety of contexts and tasks, demonstrating command of formal English when indicated or appropriate.
