Outdoor Education Camp-Pick Up and Drop Off Directions

On the day we leave - Drop off instructions

Parents may drop students off with camping gear between **8:30-9:00 AM**. Please use entrance 5W (Sauder side of the building). Students will check in as they enter.

- At check in students will turn in any camp store money that they will be taking.
- Students that have **medication** will turn them in at this time.
- Students will then place their gear in their assigned area in the Gold Gym.
 VERY IMPORTANT students MUST be able to carry all items by themselves. There will be no parents past the registration table so students will be carrying all their own items from that point forward including getting on the bus and at camp.

On the day we come home - Pick up directions

We will leave Camp Muskingham at approximately 11:45 AM.

 Buses will arrive at Jackson North Park at approximately 1:00PM where parents will pick students up.

Be sure to pick up any medication that was sent with your child to camp during parent pick up at North Park. Any leftover medications will be taken back to the Middle School.
