Premium, Cost-Effective ACT Preparation

Almost every Ohio high school student now takes the ACT. Securing a good score can assure graduation, qualify students for CCP opportunities, &, perhaps, most importantly, help students gain admission to college & obtain essential financial aid.

Our six-hour preparation seminar helps demystify the ACT by explaining

- the test's structure,
- the academic content covered on it, &
- testing & time management strategies students can employ to maximize their performance.

Students learn specific, tangible strategies to answer more questions correctly, how to decipher questions designed to thwart their performance, & specific academic content that is regularly tested on the ACT.

Each participant gets

- six hours of live, engaging, interactive instruction
- a comprehensive, 400-page, reference workbook,
- online access to over 1000 additional practice test questions, &
- free, live, phone-in pre-test tutoring,

Next Level Prep is Ohio's leader in ACT preparation. We currently work with over 60 Ohio high schools & thousands of students (urban, suburban, & small town/rural) each year around the state. Our typical students see a 2.0 to 2.5 composite point increase on the ACT after taking our seminar.
