

The background features several large, stylized, overlapping swirls in shades of light green, light blue, and light purple. Interspersed among these swirls are numerous small, yellow, starburst-like shapes, some pointing towards the center and others pointing outwards, creating a vibrant and dynamic feel.

# **Landscape Plant Identification**

## **Ground Covers**

# Ajuga – *Ajuga reptans*

- AKA: Carpet bugle
- Leaf: opp, purple/green, hairy-coarse texture; serrated close to tip
- Flower: small purple
