# Classroom Management

To track student behavior, our classroom uses Classroom Dojo and it is awesome! :)

Using Dojo in our classroom has many benefits. Not only can it be used to track and document student behavior, it is also used to communicate with families. Students can earn or lose point based on their choices made at school. To earn points, I look for positive choices and skills such as hard work, participation, helping others, etc. Students can lose points if their behavior is not in the best interest of the class or their learning. After earning points, students will be able to earn rewards!

Please check out Classroom Dojo online or through the app. It is a wonderful tool to stay connected to your child and what's going on in our class.

## Classroom News & Updates

A grade level newsletter will be sent via email each week on Monday. The newsletter is a great way to read about what's going on in our classroom and what we are learning. You will also find important dates and reminders about upcoming events for Sauder and Jackson Local. Check out our Classroom Dojo Story for more fun happening in our class as well!

## Homework

There are many places to check for homework assignments: Classroom Newsletter, Dojo, Weekly email from Mrs. Malloy

Homework Bingo & Study Island will be our main sources of homework throughout the year... more info to come in the beginning of the school year!
