QUICK-PREP

"Achieve the ACT score you need to succeed"

JUNE-JULY ACT EXAMS ARE AROUND THE CORNER

Juniors who are looking for last minute ACT Prep to improve their scores for college admissions and scholarships, come to Bright Minds. Get armed with effective go-to strategies for outsmarting the ACT

Effective and Empowering ACT QUICK PREP

Bright Minds ACT Quick Preps are momentum-boosting, 4 weeks long workshops designed to make sure students march into the ACT with higher confidence and key strategies fresh in their minds.

Bright Minds is uniquely poised to help students succeed because upon critical preparations, full ACT practice tests are given for test-endurance and time-management along with detailed post-test feedback to ensure that the strategies are well intact.

Selected topics include how to:

- *Highlight key information in seemingly confusing ACT science passages
- *Crack the 10 types of English questions guaranteed to be on the ACT
- *Shortcut the trickiest ACT math questions that stump most of the test-takers
- *Speed-read the long, dense ACT passages so test-takers don't run out of time
