

Fridge Facts

Language Arts

We are discussing theme. We are determining the theme of a variety of stories.

Math

We are going to be starting multiplication. We will be practicing using distributive property, expanded form, and partial products to multiply.

Science

We are learning about ecosystems and the various life forms in each one.

Social Studies

We are learning about maps, directions, and map scales.

Technology

We are becoming familiar with a variety of websites that we will use throughout the year.
