

### Real Life Activity- Pg. 477

Directions: Follow steps 1-6 below

1. Draw a line lengthwise across a piece of paper
2. Draw marks every inch along the line to make a timeline
3. Write "0" at the left end of the line to show your birth. Label the first mark "5." Label each mark after that in five-year increments until you reach 70 or 80 years.
4. Place an X on the line to show your current age
5. Draw marks at five points to represent five important events that have happened in your life so far. Label each mark with a phrase that describes what that event was (Ex: I started Kindergarten)
6. Draw marks at five points to represent five important events that you hope will take place in the future. Label each mark with a phrase that describes what that event will be (Ex: I hope to start college)

Conclusion Questions: Answer each question on the back of your paper

1. What are three choices that could negatively affect your future?
2. What are three choices that could positively affect your future?
3. Describe, in five sentences, how becoming a teen parent could affect your plans for the future.
4. Explain, in five sentences, how getting a sexually transmitted infection could affect your plans for the future.
5. Explain, in five sentences, how the events of your past have made you the person you are today.
