Our Learning

In Math this week, we will continue work in Chapter 5. The students will learn and practice addition and subtraction relationships. The skills we will focus on include missing addends, related facts, and adding three numbers.

In Language Arts, we will continue work in Unit 3, Life Lessons. We will review and practice retelling a story including details from the story, begin writing narratives using transition words, and identify and practice using adjectives and verbs.

Fundations

In Foundations, we will continue work in Unit 7. The students will learn and practice glued sounds **ang, ing, ong, ung, ank, ink, onk, and unk**. These sounds do not have individual sounds but are closely glued together.
