* Please continue to practice current as well as past Foundations trick words and sight words.

Our Learning

In Math this week, we will continue work in Chapter 5. The students will learn and practice addition and subtraction relationships. The skills we will focus on include missing addends, related facts, and adding three numbers.

In Language Arts, we will continue work in Unit 3, Life Lessons. We will begin writing narratives using transition words, and identify and practice using commas and compound words.

Foundations

In Foundations, we will begin work in Unit 8. The students will learn and practice how to tap and write words with a digraph blend. A digraph blend is a digraph blended with another constant. Ex: Lunch

Words of the day: bump, stash, bled, past, steps

Trick Words: some, could, want, say, do, first, any, my, now
