Our Learning

In Math this week, we will wrap up work in Chapter 4. The students will learn and practice a variety of subtraction strategies. These strategies include counting back, using addition fact knowledge to subtract, using a ten, breaking apart numbers, and problem solving.

In Language Arts, we will begin work in Unit 3, Life Lessons. We will review and practice retelling a story including details from the story, begin writing narratives using transition words, and identify and practice using adjectives and verbs.

Fundations

In Fundations, we will wrap up work in unit 6. The students will learn and practice adding suffix “s” to a baseword in order to make it plural.

Words of the day: logs, walls, socks, ships, jugs, bells, hugs

Trick Words: were, her, put, there, what, she, been, by, who
