

Tie Dye Project
Supply List for Pillowcase Project
and
Ryan's Case for Smiles Service Project

Tie Dye

We will tie dye this Friday. You will need to bring in a 100% cotton t-shirt to tie dye. The shirt does not have to be brand new, but must be clean! If you purchase a shirt, you will need to wash it before it is dyed. If you do not have a shirt or are unable to purchase one, you need to email me sla2jc@jackson.sparcc.org with your shirt size so I can have one for you in class.

Sewing Project

On Monday, April 10th we will move to the sewing lab and learn to use the sewing machines! I will provide materials/supplies for our beginning project and our service project, but I want you to personalize your pillowcase by selecting your own fabric.

Materials you will need to purchase for your pillowcase:

3/8 yard (Band of pillowcase)

7/8 yard (Pillowcase body)

Matching Thread (Gutermann thread preferred)

For your pillowcase select any print of fabric but please make sure it is 44/45 inches wide and is 100% cotton.

Coupons

Jo-Ann Fabric website offers weekly coupons

www.joann.com

If you are unable to purchase your own fabric please contact me via email and let me know what type of fabric you would like. My email address is sla2jc@jackson.sparcc.org

Due by: Wednesday, April 17th, 2017

Service Project

You will also be making a pillowcase to donate. I will provide the fabric for the donated pillowcase. The pillowcases will be donated to Akron Children's Hospital. Here is the link for the organization if you would like to learn more: <http://caseforsmiles.org>
