Located on the UA campus, SEE UA is designed to mirror a real college experience and includes living in our residence halls with upperclass women engineering resident assistants. Each day, you will be led by our talented faculty in a hands-on activity, tour local engineering firms and enjoy campus-wide activities in the evening. Have evening commitments? Choose our day camp option! Whether you are a day camper or residence camper, you will participate in a weeklong research or design project and compete against other student teams at the end of the week. See you at SEE UA!
