

Jackson Local School District

District Preventative and Intervention Support Initiatives

The following items include current preventative and intervention supports for students and staff.

- District Partnerships with StarkMHAR and CommQuest
- Mental Health Counselor on site at Jackson High School
- Elementary School/Mental Health counselor on staff
- School based CARE Teams (Coordinate, Align, Resources, and Engage, Empower, and Educate) middle and high school
- District Family Support Specialist
- Mental Health First Aid training for staff
- District Crisis Team
- School counselors available to all students during the school day.
- All district staff trained on awareness issues and policy relating to bullying and aggressive behaviors through SafeSchools modules
- Positive Behavior Intervention Supports; utilizing a Bucket Fillers theme, grades K-5
- Students in kindergarten through fifth grade receive age-appropriate instruction through classroom lessons and one-on-one counseling with elementary school counselors (i.e., bullying, conflict management, body safety, and technology safety)
- Small group intervention/prevention with CommQuest Prevention Specialist at the high school.
- Students in grades 6 – 12 receive age-appropriate instruction on all issues of bullying, harassment, dating violence, and characteristics of healthy relationships at the beginning of the school year. At the high school, students view a video on bullying, harassment and intolerance.
- Therapy dogs available for all students
