

# Hello Fellow JAGgersS,

As JAGS moves into the second semester we are in need of fleece to make hand-tied blankets for the Akron Children's Hospital, the Orphan World Relief Program in Stark County, Operation Blanket, and Stark County Children's Services. There are sales at many fabric retailers including JoAnn Fabrics, Michael's, Walmart and other stores. We are asking for any donations of fleece that would help us make 3x5 ft (and smaller) blankets for these children. Any donations can be dropped off in R100 or delivered to the JAGS teachers.

Thank you and Happy Holidays!!
