

Make 5, 10, 20 Bingo

2-20 players

Materials- “Make 10” Bingo cards, Magnetic Tens frame paddle and magnetic counters, non magnetic counters for students (25 per player).

How to Play:

1- Pass out bingo cards to each player.

2- The bingo “caller” creates and shows a ten frame pattern to the players using the magnetic ten frame paddle.

3- Players determine the number needed to make the shown pattern equal 10. Place a counter on the number on their card that goes with this pattern to make 10.

Example

Pattern shown:

●	●	●		

Number marked: 7, since $3+7=10$

4- The game continues until a player has 5 counters in a row.

This game can be modified for 5, 10, 20
