

Dear Parent/Guardian:

The following is a Student/Parent Agreement for the listed JMMS 7th and 8th Grade class trips:

7th Grade Spring Trip; 8th Grade Fall Washington DC Trip; 8th Grade Spring Cedar Point Trip

All field trips are considered an extension of the school day for those who are attending and all school rules and guidelines still apply. All school extracurricular activities, such as field trips, are a privilege and not a right to any student.

The following reasons will remove a student from the one of the JMMS class trips:**

- Any student who is no longer enrolled in or attending classes full-time (5 days a week) at JMMS.
- Any student who is/has been expelled from or suspended out of school during the first or second semester of the current year for Spring trips, or the second semester of the prior year for Fall Trips.
- **Fighting leads to immediate removal from the trip.**
- Any student who is assigned to Alternative Daily Assignment (ADA) during the first or second semester for **more than one** incident.
- Any student who has been suspended from Jackson Local Schools busing.
- Any student who has excessive amounts of detentions (lunch, after school, or extended Friday)
- Any student who has met the excessively absent or habitually truant for the current school year.
- Any student who still owes school fees.
- Any student who is failing more than one class for the grading period(s) prior to the date of field trip

I understand that if my child is removed from the trip due to behavior, attendance or grades, **I will forfeit the non-refundable deposit.** *The student's refundable portion of their payment will be returned to the family in accordance with **Traveling Classrooms**' refund policy at the time of their dismissal from the trip.*

My student _____ and I have read what would exclude him/her from one of the Middle School class trips during their 7th and/or 8th grade year(s) at JMMS.
